

International Opportunities

The Nehemiah Network is a service ministry of Word of Life which enlarges the missionary vision and outreach of churches and individuals by connecting them with the needs of missionaries around the world.

The Nehemiah Network offers unlimited opportunities for you to be involved in World Missions. Every year, through the Nehemiah Network, hundreds of volunteers join us on Work Teams or Health Care Teams around the world. Our desire is to assist the missionaries on the field and enable them to do what God has called them to do. Call for more info about Nehemiah Network International Work Teams or Health Care Teams.

Word of Life Adopt A Cabin Program 2008/2009

Work Teams

The Nehemiah Network National Volunteer Program is teaming up with the Inn, Campground, Island, Ranch, and the Bible Institute to give you the opportunity to play a major role in the success of our ministry through the Adoption Program.

The Adoption Program will give you the opportunity to take ownership in the ministry of Word of life. This is where you or your church may contribute, by adopting a cabin, roof, Inn room, or dormitory you are telling us that you would like to take ownership of the needs of that project. Not only will you be helping us with the financial needs of the project, but you will be helping with the physical needs of the buildings as well. Thousands of people's lives are being changed because of the impact of Word of Life! With your help let's take the gospel to thousands more.

Our passion is to reach Youth with the Gospel of Jesus Christ by taking the truth of the Word to the Youth of the World.

We are excited about the Adopt-A-Cabin program! If you would like more information please contact our office.
